

Covid-19 Procedure For Service Visits And Installations

- Staff will keep an appropriate distance away from customers, adhering to current social distancing guidelines at all times.
- Staff will wear recommended PPE during the visit for both our protection and customers safety.
- If anyone appears unwell or is not complying to the guidelines, we will advise the customer that we do not feel comfortable to continue and will exit the site. We will advise that the work will be re-booked for a later date.
- No waste will be left on site. All waste will be taken with us.
- We will adhere to any additional safety requirements requested by the customer.
- Staff use the NHS Covid-19 track and trace App where applicable.
